**Excellence in Decommissioning Award 2022**

This award recognises a company that is leading the way in how we do decommissioning in the UK.

**AWARD CRITERIA:**

The Excellence in Decommissioning Award will recognize a company that has performed to an exceptional level within the offshore decommissioning industry in the UKCS. The award criteria can cover any aspect including project execution, design, innovation, HSE, cost performance and contribution to the energy transition.

- Nominees are invited to provide a written submission or presentation demonstrating how they have contributed to decommissioning excellence. Applications will be judged on evidence of combining safety, environmental and cost performance, commercial and/or technical innovation and demonstration of collaboration and sharing lessons. Special recognition will be given to those companies that have demonstrated contribution to the energy transition in their decommissioning activities.
